Letter no. 2235-372, dated 9th February 1885 from the Resident in Mysore to the Dewan of Mysore.

No. 6608-14 — 14th Bangalore 2nd March/85

Order thereon. - The foregoing correspondence will be communicated to the Commissioner to the Mysore

A31

Mysore Government for information and guidance

2 It will be noted that as regards Military Officers, Commanded Corps and Uncommanded Officers belonging to the British Service proper and employed in Mysore, the Mysore State has been relieved of all liability for their leave and pension allowances in respect of service upto 30th September 1882. Their service since that date is regarded as Foreign service, and in order to entitle them to leave and pension allowances from the British Government they must pay their Contributions prescribed in the behalf by the Civil Pension Code, whether their employment in Mysore has commenced before or after the transfer of the Administration to the Nephew the Maharaja

A3

3 All Uncommanded Officers who, having no status in British Service proper, were employed in Mysore when under British Administration

4 Uncommanded Officers who having no status in British Service proper were employed in Mysore when under British Administration and who have continued to be employed in Mysore since the Restoration of the Province as well as all Uncommanded Officers employed in Mysore after the Restoration, will be entitled to pension and leave allowances under the rules noted below

5 The officers named in the margin have hitherto been regarded as British officers and the proportionate contributions on account of their pensions and leave allowances have been paid by the Mysore to the British Govt

1 Dr L Rice, C.I.E.
2 " C Mc Can
3 " E Butcher
4 " G.F. McKechnie
5 " F.B. Clark
6 " A.G. Hudson

but who were transferred to the British Service proper before the 1st October 1883, will be entitled to their pensions from the Mysore Court, the Mysore State contributing its share of such pensions for the period of their service in Mysore according to the rule of proportion as laid down in the Civil Pension Code

A 31

9 since 1st October 1883. The Govt of India have now decided that these names shd be removed from the list of British officers and that their pensions and leave allowances shd be paid by the Mysore State. An extract of paras 3 and 6 of letter from the Government of India to the Resident in Mysore, No. 1543, 1st May 1884, of paras 4 & 7 of letter from the Dewan to the Resident No. 14 & 4th July 1884, and of para 5 of letter from the Resident to the Dewan No. 2235-372, 9th February 1885, will be forwarded to each of the officers above named (except Mr Waters who has already retired) for information.

6. The Comptroller will arrange to refund to the British Govt the pension which has been disbursed by it to Mr Waters and to obtain a refund for all contributions paid by Mysore on account of him and of the other officers named in the preceding para.

No. 450/66.

Office of the Resident in Mysore
Bangalore, 21st May 1884.

To,

The Dewan of Mysore

Sir,

I have the honor, by desire of the Resident, to forward for information of His Highness the Maharaja's Government, copy of Letter No. 1543. I. dated 1st May 1884, from the Government of India, conveying certain orders on the subject of the claims to pensions of officers who served in Mysore when the province was administered by the British Government. With reference to these orders I am requested to make the following remarks:—

In regard to clause (4), owing to contradictory proposals made in the correspondence some doubt has hitherto existed in this office and that of the Accountant General Madras, as to whether the Secretary of State's orders accepting liability for their whole pension on condition of payment of contribution from 1st October 1882 are intended to apply to all uncovenanted officers or to those of European parentage only. The Government of India have now ruled that the orders apply to all uncovenanted officers alike who had a status in British districts prior before being transferred to

to Mysore Service.

But in coming to this decision it is probable that the Government of India had before them the list of officers in the Mysore Service paying contribution for British Pension, which was forwarded under cover of Sir James Gordon's letter No. 73/16 dated 14th April 1883 (copy of which is appended for information) and may naturally have concluded that that list was an exhaustive one including the names of all uncovenanted officers privileged to pay the contribution as it was furnished by the Comptroller of Mysore and sent in answer to a requisition from the Foreign Department. Mr. Lyall thinks, therefore that a report should now be made to the Government of India in the case of all officers wishing to claim British pension as belonging to class (b) who have not yet applied to contribute. The case of the 12 Medical subordinates referred to in your letter C of 30th April last is an instance in point, and there may perhaps be others. There are certainly other officers now serving in Mysore and not contributing for pension, who might come under class (b), but Mr. Lyall at present understands that they have intentionally omitted to contribute for British Pension, being satisfied with the boon allowed them in the latter part of para 5 of the Notification issued by the Durbar in August 1882, whereby the Government of His Highness undertook to grant

12

grant such of its officers as pecuniarily valued the benefits of service under the British Government, the benefit of counting half of such service up to a limit of 3 years, as Mysore Service.

Mr Lyall will be obliged if the Durbar will send in as soon as possible, a list of all officers of class (b) not hitherto admitted to contribute but who may wish under the present ruling of the Government of India to contribute for British pension in order that their applications may be reported to the supreme Government for approval.

As to class (c) the Resident imagines that the Durbar will admit the fairness of the ruling and will not object to it. If so the case of Mr Wales pension which was recently sanctioned by the Resident will have to be reconsidered, and the list of officers now paying contribution for British pensions will have to be scrutinized to see if any belong to this class and ought to have their past contributions refunded and to cease payment in future. Mr Lyall will be further obliged if you will examine the list and in all doubtful cases favor him with your opinion as to whether the officer belongs to this class or not. Mr Lyall imagines that if any persons first appointment was in Mysore tho not being at the time an officer on the list of any British Department then the fact that he was subsequently put on the Government

of India, provided that would not prevent his falling into class (c), but the point can be referred if the Durbar think it desirable.

As to para 8 of the Government of India letter under reference, I am to say that Mr. Lyall understands that the Durbar will not object to this proposal. Some of the subordinate officers in the Residency and Civil and Military Station establishments will come under this head. A list of these officials will be made out and sent to the Durbar for its concurrence.

As to paras 7 and 9, the obligation for payment of pension which the Government of India ask the Durbar to accept in these paras, has Mr. Lyall understands been already accepted by the Mysore Government of its own motion, he presumes therefore that he may report that the Durbar gives its assent to these proposals.

I have the honor to be
Sir,
Your most obedient Servant
Lt. H. Wylie
Assistant to the Resident

№ 1543 9

From,

The Secretary to the Government of India

To,

Foreign Deptt
Finance

The Resident in Mysore

Dated Simla the 1st May 1884

Sir,

I am directed to acknowledge receipt of your letters, № 2390/383 of 6th February 1884, and № 2232/354 of 21st January 1884, and the copies of correspondence forwarded with the latter

2. With reference thereto, and to previous correspondence, I am to address you as follows on the subject of the claims to pension of officers who served in Mysore when the province was administered by the British Government.

3 These officers are of three classes

(a) Military officers and commanded civilians.

(b) Uncovenanted officers who, having a status in British service proper, were transferred for employment under the British Administration in Mysore.

(c) Uncovenanted officers who had no status in British service proper, but who were employed in Mysore when under British administration.

4. With regard to classes (a) and (b), it has been decided that Mysore State shall be relieved of all liability for leave and pension allowances on

A 3

84

in prospect of service up to 30th September 1882. The grounds of this decision were stated in Despatch No. 1 (Financial) of 10th August 1882, to the Secretary of state, which dealt with class (a), and the proposals made in that Despatch were sanctioned by the Secretary of state in his Despatch No. 104 (Political) of 9th November 1882. The extension of this concession to class (b) was recommended to the Secretary of state in Despatch No. 1 (Finance) of 15th June 1883, and sanctioned by him in his Despatch No. 69 (Political) of 9th August 1883.

5. Effect has been given to these decisions by the amendment of the definition of general revenues on page X of the codes of the Financial Department.

A 3 6. Class (c) remains to be provided for. Officers of this class did not belong to the British Establishments and were not transferred from British services for employment in Mysore, but were engaged by the administrators of Mysore for employment in that province, and are not in any way connected with the British Government, except in its capacity as administrator of Mysore. There is no ground, therefore, why the pensions and leave allowances of these officers earned by service rendered to Mysore should be charged against the revenues of British India.

A 3 7. But while Mysore was under British administration, service in that province was held to qualify for pension payable from the revenues of Mysore. It is, therefore, considered by His

16

the Government of India; that the claims of officers of class (c) to the pensions payable from Mysore revenues, which they would have earned had Mysore continued under British administration, should be recognized by the Government of Mysore, and that the service of those officers in Mysore prior to 1st October 1882, should be considered as qualifying for pension, the pension or portion of pension on account of such service being payable by the Mysore State.

8. Some officers of (class (c)) are believed to have been transferred from service in Mysore to British service proper before the 1st October 1882, and to be now in British service. In respect of these the Government of India is of opinion that their qualifying service should be held to commence from the date of their employment in Mysore subject in all cases to the Rules in the Civil Pension Code, and that a portion of the pension proportionate to the service in Mysore should be payable by the Mysore Government in accordance with the Rule of proportions as defined in page XIV of the Codes of the Financial Department. The pensions would be paid in the first instance by the British Government and the amount due by Mysore subsequently recovered by that Government.

9. Such officers of class (c) as commenced their employment in Mysore after cession of the provinces

17

province would receive their whole pension from the Mysore Government. All that is required in regard to these officers is an assurance that the Government of Mysore will recognize the claim of these officers to have their service prior to 1st October 1882 considered as qualifying for pension to be granted, calculated in accordance with the pension rules of the Government of India. In view of the liberal decisions sanctioned by the Secretary of state in the case of officers of classes (a) and (b), the Government of India anticipate no objection on the part of the Mysore state to the acceptance of the obligation.

The Government of India also considers that it would be an equitable and liberal act for the Government of Mysore to allow the service, subsequent to 30th September 1882, of officers of this class who were in service in Mysore before the rendition, and continued in the same service after rendition, also to qualify for pension on the same manner.

10. With regard to servants who entered the service of the Mysore state after the rendition, the question whether, and under what rules, their service shall qualify for pension, is entirely for the consideration of the Government of Mysore.

11. His Excellency the Governor General in Council does not anticipate that the Government of Mysore will have any difficulty in recognising the fair and reasonable claims of officers engaged

18

engaged for service in Mysore when the province was under British administration as above set forth. I am to request that you will communicate with the Government of Mysore and obtain their assent to the proposals above described.

I have &c &c.
Signed C. Grant.
Secretary to the Government of India

19

To

The Resident —
in Mysore

Sir,

I have the honor to acknowledge the receipt of your letter No. 450/66 dated the 21st May 1886, and to make the following observations for further consideration and orders of the Govt. of India

2 As regards British officers now serving in Mysore, I beg to forward herewith two lists No. 1 showing the names of European officers who were in Mysore for specified short periods prior to the Date of all the retired and Pensioned European British officers in the Service

A 3

20

Servants of Drypore, Bod
to have Cantonments
and Grain found. On account
of all Officers who are employed
in these lists the proceeds of
Cantonments are now
paid to the British Govt;
and it is declared that
they have all a defined
status in the British service.
The officials in No. 2 list
were all transferred
from British service
proper to service in
Drypore when it was
under the British Admin-
istration, and their
transfers were effected in
the same manner as
the transfer of an Un-
commanded British
Officer from one British
Administration to
another British Adminis-
tration is effected.
Dr. Macnaghten Castle

A 3 L

to the an[illegible] the commanded
Brilliant officers in a high
position in the Burgoyne
service and his services
were obtained by special
application made by the
Judicial Commissioners
to the Madras authorities
and he passed his appointment to Burgoyne
until and any break in
the continuity of his
service.

3 The letting resolution
also includes the medical
subordinates of the
Madras Military Department
now employed in Burgoyne
A demand for the recovery
of the required contributions
loans from Literate had
been made by the Accountant
and General, Madras
more than once during
the past official year.
But pending the ascertainment
regularisation of the whole of
Medical Department
the Burgoyne Government
[illegible]

were unable to comply
with the demand earlier.
The Marine Superintendent
and Manager's offices
belonging to the British
Mileage Department
have a definite status
in the Port Authorities
and are liable at any
time to be called away
for the Service of the British
Army - There are such
circumstances, but
Dunbar hope that there
may be no objection to
the inclusion of these
3 names in this list in question.
The list by no means
exhausts the, for instance
several other commanding
subordinate officials
not included in the list
to [illegible] have
been specified such as
the Superintendent
of Police Inspector
Police Officer &c &c
as per Memorandum
of 31st August 1882, but
no [illegible]
exhaustive

23.

Subscriptions be sought from all officers who may wish to contribute for Obituary pension. It shall be observed, however, that all subscriptions may cease to be paid on Contributions for Obituary pensions made after 31st July, 1884, and that after that date no new additions to the list of officers paying Contributions for Obituary pensions will be permitted.

4. There can be no question regarding the justice and general applicability of the rendering of the Govt of Sweden in regard to officers of class (c) and it is hoped that the rendering will be shortly applied to the Govt officers of Sweden & Norway [illegible]

F 9

24

regarded as having ceased
in Bengal service proper
under Lascing Leave
especially Leave for service
in Burmah, though they
have not actually served
the Indian Government
beyond the Provinces
Thereunder and included
in the list of Bengal officers
especially Leave entitled
to the Grant of Indian
under Sir James Gordon's
letter dated 4 April 1883
They began their service
in Burmah as shewn below:-

| Name | Date of appointment to Burmah | Date of first appointment | Regular appointment |
|---|---|---|---|
| W. L. Rees | Principal High School Rangoon | November 1859 | Secretary to Revenue, Excise Salt and Miscellaneous Depts. |
| " C Walton | — Do — | August 1866 | Retired |
| " C Bateden | Surveyor of Government Land Embankments | December 1863 | 1st Grade Asst Superintendent Rev Survey |
| " G. D Mackintosh | Rabbi Company Asst Superintendent Rev Survey | November 1869 | Dy Commissioner Deputy 1st Grade Asst Superintendent Revenue Survey |
| " W B Clarke | — Do — | January 1868 | |
| " A G Hudson | — Do — | November 1876 | 2nd Grade Do |

25

5. The exclusion of these officers from all Class (B) would now be very inconvenient, for the British Government have always recognized them as having all the privileges attaching to the British Service proper. The Line should belong to the Indian Colonial Department, and these appointed by the Secretary of State. The others were appointed by the Government of India to the Bengal Revenue Survey under conditions as to qualification and service which regulate the Bombay Revenue Survey Department. This Case is not, I understand, a discouraging feature [illegible] of Mr. Barber, merely because the new scheme appointed to the Bombay Revenue Survey on 1st November 1866, and he was promoted to the Bengal Revenue Survey in December 1866. All the rest officers

96.

abovementioned Classes
of Europeans have been [illegible] to the Civil
State & they belong to the
British Services properly.
Their names & ages always
been entered in the Gradation

Office of the Resident in Mysore
Bangalore 9th October 1885

To

The Dewan of
Mysore

Sir,

I have the honor by desire of the Offg Resident, in addition to your letter of the 7th July 1885 No 14, to communicate to you for the information of the Government of His Highness the Maharaja, the orders of His Excellency the Viceroy and Governor General in Council on the claims to pensions of Officers who served in Mysore when the state was under the Administration of the British Government.

2. The Government of India observe with satisfaction that the suggestions made in para 7 of Secl Foreign Secretary's letter No 1643 of 1st June 1885 a copy of which was communicated

A3

39

to you with my letter of 21st May 1884 have been accepted by the Mysore Government and that consequently the claims of Officers who formerly were Mysore Servants in British service, were employed in Mysore when the Province was under British Administration, whether they continued in the service of Mysore after the condition, or had been previously transferred to British service proper, have been equitably provided for.

3. In the latter part of para 8 of your letter above cited you suggest that the scale under which the pension of Officers who were transferred from Mysore Service to British service before the 1st October 1882 is payable by both Governments according to the scale of proportion, may be extended to any Officer who may hereafter be transferred from Mysore service to British Service. The Government of India, I am to say, do not consider that the extension of the scale is necessary.

A3

4. The additions necessary

A3

40

in the Civil Pension Code to give effect to the decisions arrived at jointly by the British and Mysore Governments have been published by Notification of the Government of India, in the Department of Finance and Commerce, No 201 dated the 11th January 1888.

5. With regard to the Mr L. Rice C.S., Officers named in the " C Water margin who were em- " E. Batchelor ployed for services in " G.T. Mackleyohn, Mysore, and who have " J.B. Clark, always served, and " A.G. Hudson, (with the exception of Mr Water who has since retired) are unanimously of opinion that these Officers belong to the class described as class (C) in para 3 of Foreign Secretary's letter of 1st May 1884 with reference to the suggestion of the Durbar that these Officers should be considered as belonging to Class (B) I.C.S. the class of Officers who formerly constituted the British

A 31

B 41

41

service proper, were transferred for employment under the British Administration in Mysore, the Government of India observed that as these officers were employed solely for service in Mysore and never had any claims on the British service except in virtue of their employment in Mysore, they see no sufficient reason for complying with the suggestion, the acceptance of which, it is remarked, the Durbar has expressed no wish to keep any secret. The Officers referred to must accordingly be held, since it is stated, to belong to Class (c) and I am to add that the Governor General in Council can also hold out no prospect of being able to grant any pension to any of them in the event of their services being no longer required in Mysore. I should however say that even after that event any of them who have elected to remain in British service, the Government

42

of India will not object to the whole of their service being declared to be qualifying, their pension being charged to British and Mysore Revenues, according to the rule of proportion. As the officers in question have contributed for pension since 1st October 1882, it is desired that the amount of their contributions be refunded to them, while the whole amount of the pension already paid to Her Waters as well as the amount of payments made in future will, in accordance with this decision be recovered from Mysore.

6 I am to observe that the orders of the Government of India are to be read in modification of and as explanatory of those conveyed in this Office letter No 2074/346 of the 22nd January last in respect of officers of Madras and Bombay

A 3

B 4

43

7. The Government of India do not consider it necessary that the list of Officers forwarded with your letter under reply should be considered in detail, as the Accountant General, Madras, will refer for orders any case which may not be clear.

8. The Offg: Resident is requested that you will be so good as to communicate copy of para 5 of this letter to each of the Officers referred to therein, excepting Mr. Waters, for information.

3

I have the honor to be,

Sir,

Your most Obedient Servant

No 104

India Office
London 9th November 1882

To

His Excellency the Most
Noble the Governor General
of India in Council

(2/6)

My Lord Marquis.

I have to acknowledge the receipt of a letter of your Excellency's Government in the Foreign (Finance) Department No. 2 of the 4th August last, requesting the sanction of Her Majesty's Government to the proposed employment of a certain portion of the Bengal Staff Corps on account of the Leave and pension allowances of the Indian Establishment in the field in Egypt and Suakim up to the 30th September next.

I now attach a copy of the proceedings of the Council of India in this matter, and I have to inform you that Her Majesty's Government have no objection to your Excellency in Council's proposal.

Sir,

I have been accompanied by Lyons Cottrell & Co the Secretary result of the Concessions which it is proposed to make. Assuming however, that no very material Question will then arise, to be imposed on the Revenues of Sind, I am directed by Government to the special and exceptional circumstances of Sind generally to accede to any reduction to the Customs Duties your Excellency in Council may deem to adopt.

I have &c
W. P. Hunting Esq

NOTIFICATION

*The 31st August* 1882.

No. 83.—The Government of India in their letter dated 14th December 1881 decided that the Native Uncovenanted Officers whose services had been from time to time obtained in Mysore from the British Service should, in the event of their desiring to resume their claim to their services under the British Government as regards their pensions, pay to that Government from the date of the Rendition the contribution on their salary prescribed by the rules.

2. The Comptroller is requested on the application of the officers concerned to arrange for the collection from their salaries and payment to the British Government of the prescribed amount of contribution in each case commencing from the date of Rendition.

3. The contribution as regards pension, excluding leave allowances which will continue to be paid by the Local Government, will up to 30th June 1882 be Rs. 12½ per cent on the monthly salary drawn by the officers subject to a maximum of Rs. 136 per month, and subsequent to 30th June 1882 it will be 12½ th of the salary with a maximum of Rs. 100 per month.

This is according to Resolution No. 1622, dated 19th June 1882, but the contribution of 12½ per cent required by the Pension Code to secure a pension on 33 per cent of the salary would appear to be raised to 15 per cent of the salary to secure the pension on the full amount of the salary.

4. As the officers concerned entered the Mysore Service unconditionally and on their own interests sharing in the prospects and promotions afforded by that service, His Highness' Government does not consider itself called upon to reimburse them for the contribution which they undertake to pay in order to secure their claims to past service under the British Government, but having regard to the fact that such contribution relieves the Mysore State of the proportion of the pension payable by it for the years on account of which the contribution is made, His Highness' Government will not object to make good in such cases one-half of the amount of the contribution, which the Comptroller is authorized to pay from the revenues of the State levying from the officers concerned only the remaining half.

5. Where the eligible service of the officers under the British Government is short and they have yet to serve long in Mysore to entitle them to a pension, it may be felt as a hardship by the officers, and it will be equally inconvenient to the Government to continue the contribution for such long periods. As some compensation in these cases to the officers desiring to relinquish the benefit of the British Service, the Mysore Government will undertake to allow one-half of any such eligible British Service to count as service rendered in the Mysore State up to a limit of 5 years.

6. These orders do not apply to Uncovenanted British officers entering the Mysore Service after the Rendition, as their employment if they are to retain their lien on the British Government for pension, can only be secured under special engagement with that Government, but they will be given effect to as regards all Uncovenanted officers who are with the Mysore Service before the Rendition, whether they are Natives or European British subjects, excepting only European British officers lent to Mysore under the orders of the Government of India and whose retention up to 30th September 1882 has been specially authorized.

By Order
R. VIJAYINDRA RAO
Secretary.

Mysore Government Press, Bangalore.—30-11-82—100.

48

*Proceedings of the Dewan to His Highness the Maha Raja of Mysore, (General),—dated 31st August 1882.*

No. 4025—243, DATED BANGALORE, 31ST AUGUST 1882.

ORDER.—The Government of India in their order dated 14th December 1881 decided that the Native Uncovenanted Officers whose services had been from time to time obtained in Mysore from the British Service should, in the event of their desiring to retain their claim to their service under the British Government as regards their pensions, pay to that Government from the date of the Rendition the contribution on their salary prescribed by the Rules.

2. The Comptroller is requested on the application of the officers concerned to arrange for the collection from their salaries and payment to the British Government of the prescribed amount of contribution in each case commencing from the date of Rendition.

3. The contribution as regards pension, excluding leave allowances which will continue to be paid by the Local Government, will up to 10th June 1882 be Rs. 12½ per cent on the monthly salary drawn by the officers subject to a maximum of Rs. 134 per month, and subsequent to 10th June 1882 it will be ⅛th of the salary with a maximum of Rs. 100 per month.

*This is according to Resolution No. 1622, dated 10th June 1882, but the contribution of 12 per cent required by the Pension Code to secure a pension on 88 per cent of the salary would require to be raised to 13⅓ percent on the salary to secure the pension on the full amount of the salary.*

4. As the officers concerned entered the Mysore Service unconditionally and in their own interests sharing in the prospects and promotions afforded by that service, His Highness' Government does not consider itself called upon to reimburse them for the contribution which they undertake to pay in order to secure their claims to past service under the British Government but having regard to the fact that such contribution relieves the Mysore State of the proportion of the pension payable by it for the years on account of which the contribution is made, His Highness' Government will not object to make good in such cases one-half of the amount of the contribution, which the Comptroller is authorized to pay from the revenues of the State levying from the officers concerned only the remaining half.

5. Where the eligible service of the officers under the British Government is short and they have yet to serve long in Mysore to entitle them to a pension, it may be felt as a hardship by the officers, and it will be equally inconvenient to the Government, to continue the contribution over such long periods. As some compensation in these cases to the officers desiring to relinquish the benefit of the British Service, the Mysore Government will undertake to allow one-half of any such eligible British Service to count as service rendered in the Mysore State up to a limit of 3 years.

6. These orders do not apply to Uncovenanted British officers entering the Mysore Service after the Rendition, as their employment, if they are to retain their lien on the British Government for pension, can only be secured under special engagements with that Government, but they will be given effect to as regards all Uncovenanted officers who entered the Mysore Service before the Rendition, whether they are Natives or European British subjects, excepting only European British officers lent to Mysore under the orders of the Government of India and whose retention up to 30th September 1882 has been specially authorized.

R. VIJAYINDRA RAO,
*Secretary.*

### PROCEEDINGS.

*Dated 31st August 1882.*

No. 1026
245.

Directing the Comptroller to arrange for the payment to the British Government of the contribution towards pension in the case of Officers whose services are partly under the British Government and partly under Mysore.

Mysore Govt. Press, Bangalore.—28-8-82.—350

*Proceedings of the Dewan to His Highness the Maharaja of Mysore, (Financial),—dated 16th May 1885.*

From the Secretary to the Government of India,—To the Resident in Mysore,—Foreign Department—Finance—Circular No. 864-C, dated Simla, the 29th September 1883.

In the orders noted on the margin, it was provided that the assent of the Local Government, under which an officer was serving before his transfer to Foreign service or to which he would be subordinate if he left Foreign service, should be obtained to any increase of the pay or allowance which he enjoys in the service of Native State. I am now to add that, when the emoluments of the officer exceed Rs. 250 per mensem, no such increase of pay should be finally granted without the previous sanction of the Government of India in this Department.

Section 9, Rule 8, Chapter III of the Civil Pay Code.

Gazette of India Notification in the Department of Finance and Commerce, No. 3416 dated 31st August 1882.

50

No. 1324—45, dated 16th May 1885.

Order.—In accordance with the orders contained in the Resolution of the Government of India, quoted above, Heads of Departments are requested not to sanction any increase of pay or allowance to any of the British officers lent to Mysore of whom a list is appended, without previous orders in each case and in any case in which such increase is proposed to be given, a detailed report of the circumstances under which the proposal is made should be submitted.

FINANCIAL.

PROCEEDINGS.

*Dated 16th May 1885.*

No. 1324.
45.

Requesting Heads of Departments not to sanction any increase of pay or allowance to any of the British officers lent to Mysore without previous orders.

Mysore Government Press, Bangalore.—27-5-85.—80.

No 1543

52

From

The Secretary to the
Government of India

To

Foreign Deptt
Simla

The Resident in Mysore

Dated Simla, the 1st May 1884

Sir,

I am directed to acknowledge
receipt of your letters No. 2890/383 of 6th Feb-
-ruary 1884; and No. 2232/354 of 21st January
1884, and the Copies of Correspondence
forwarded with the latter.

2. With reference thereto and to
previous Correspondence, I am to address
you as follows, on the subject of
the claims of Mussalman officers who
leave

A 3

Served in Mysore when the Province was administered by the British Government.

53

3. These officers are of 3 classes.

(a) Military officers and Covenanted Civilians

(b) Uncovenanted officers who, having a status in British Service proper, were transferred for employment under the British Administration in Mysore.

(c) Uncovenanted officers who have no status in the British Service proper, but who were employed in Mysore when under British Administration

4. With regard to Classes (a) and

(b), it has been decided that the Mysore State shall be relieved of all liability for leave and pension allowances in respect of Services up to 30th September 1882. The grounds of this decision were stated in Despatch No. 1 (Financial) of 12th August 1882. to the Secretary of State, which dealt with Class (a) and the proposals made in that Despatch were sanctioned by the Secretary of State in his Despatch No. 104 (Political) of 9th November 1882. The extension of the Concession to Class (b) was recommended to the Secretary of State in Despatch No. 1 (Finance) of 15th June 1883, and sanctioned by him in his Despatch No. 69 (Political) of 9th August 1883.

34

5. Effect has been given to these decisions by the amendment of the definition of General revenues on page X of the Code of the Financial Department.

55

6. Class (c) remains to be provided for officers of this Class do not belong to the British establishment and were not transferred from British Service for employment in Mysore, but were engaged by the administrators of Mysore for employment in that Province, and were not in any way connected with the British Government, except on its Cessation as administrator of Mysore. There is no provision, therefore, in the Devices

56

and leave allowances of these officers earned by Service rendered to Nepal should be charged against the revenues of British India.

7. But while Nepal was under British Administration, Service in that province was held to qualify for Pension payable from the revenues of Nepal. It is therefore considered by the Government of India that the claim of officers of class (c) to the pensions payable from Nepal revenues, which they would have earned had Nepal continued under British Administration, should be recognised by the Government of Nepal and that the Service of those officers in Nepal prior to 1st October 1902

1882, should be considered as qualifying for pension, the pension or portion of pension on account of such Service being payable by the Mysore State.

57

8. Some officers of Class (c) are believed to have been transferred from Service in Mysore to British Service prior before the 1st October 1882, and to be now on British Service. In respect of these the Government of India is of opinion that their qualifying Service should be held to commence from the date of their employment in Mysore, subject in all cases to the rules in the Civil Pension Code, and that a portion proportionate to the Service in Mysore should be payable by the Mysore Govern-
ment.

5-8

-ment in accordance with the Rule of Proportions as defined in Page XIII of the Codes of the Financial Department. The Pensions would be paid in the 1st instance by the British Government, and the amount due by Mysore subsequently recovered by that Government.

4. Such officers of Class (C) as remain in Employment in Mysore after the new division of the Province would decline their whole Pension from the Mysore Government. All that is required in regard to these officers is an assurance that the Government of Mysore will recognise the Claim of these officers to have their Services prior to 1st October 1882 considered

A 3

57

1882; shall be considered as qualify-
-ing for pension, the pension or portion
of pension on account of such service
being payable by the Mysore State
8. Some officers of Class (c) are believed
to have been transferred from service
in Mysore to British Service proper,
before the 1st October 1882, and to re-
-main in British Service in respect of
these the Government of India will
sanction that their qualifying in
Service should be held to commence
from the date of their employment
in Mysore, subject in all cases to
the rules in the Civil Pension Code,
and that a portion proportionate
to the service in Mysore should
be payable by the Mysore Govern-

s-8

- ment in accordance with the Rule of Proportions as defined in Page XIV of the Codes of the Financial Department. The Pensions would be paid in the 1st instance by the British Government, and the amount due by Mysore subsequently recovered by that Government.

4. Such officers of class (C) as remained in Employment in Mysore after the resumption of the Province would receive their whole Pension from the Mysore Government. All that is required in regard to these officers is an assurance that the Government of Mysore will recognize the Claim of these officers to have their Service prior to 1st October 1862 considered

as qualifying for pension to be granted, Calculated in accordance with the Pension Rules of the Government of India. In view of the liberal decision sanctioned by the Secretary of State in the case of officers of Classes (a) and (b) the Government of India, anticipate no objection on the part of the Mysore State to the acceptance of the obligation. The Government of India also considers that it would be an equitable and liberal act for the Government of Mysore to allow the service subsequent to 30th September 1882 of officers of this Class who were in service in Mysore before the year below and continued in the same service after that date also to qualify

59

60

for pension in the same manner.

10 With regard to Servants who entered the Service of the Mysore State, after the rendition, the question whether, and under what rules, their Service shall qualify for pension, is entirely for the Consideration of the Government of Mysore.

11. His Excellency the Governor-General in Council does not anticipate that the Government of Mysore will have any difficulty in recognizing the fair and reasonable Claims of officers engaged for service in Mysore when the Province was under British Administration as above set forth.

I am to request that you will Communicate with the Government

A 3

of Mysore and obtain their assent to the proposals above described.

I have &c.

(Signed) C Grant

Secretary to the Govern-
-ment of India.

61

62

Office of the Resident in Mysore

Bangalore 21st May 1884.

To

The Dewan of Mysore.

Sir,

I have the honor, by desire of the Resident, to forward for information of His Highness the Maharaja's Government, Copy of letter No. 1543 I, dated 16th May 1884 from the Government of India, — Conveying certain orders on the subject of the claims to pension of officers who served in Mysore when the province was administered by the British Government. With reference to these orders, I am requested to make the following remarks.

In regard to Class (b) owing to contradictory

Contradictory ~~remarks~~ proposals made in the Correspondence, some doubt has hitherto existed in this office and that of the Accountant General, Madras as to whether the Secretary of States orders accepting liability for their whole pension on Condition of payment of Contribution from 1st October 1882 were intended to apply to all uncovenanted officers or to those of European parentage only. The Government of India have now ruled that the orders apply to all uncovenanted officers alike who had a States or British Service proper before being transferred to Upper Service.

63

But

64

But in Connection to this decision it is probable that the Government of Mysore had before them the list of officers in the Mysore Service paying Contributions for British Pensions, which was forwarded under Cover of Sir James Gordon's letter No 93/16 dated 14th April 1883 (Copy of which is appended for information) and may naturally have Concluded that that list was an exhaustive one including the names of all uncovenanted officers privileged to pay the Contribution, as it was furnished by the Comptroller of Mysore and sent in answer to a requisition from the Foreign Department. Mr Ligall thinks, therefore that a reference should now be made to the Government of India

in the Case of all officers wishing
to claim British Pension as belonging
to class (b) who have not yet applied
to Contribute. The Case of the 12
medical Subordinates referred to in
your letter C of 30th April last is an
instance in point, and there may
perhaps be others. There are cer-
tainly other officers now serving
in Mysore and not Contributing for
Pension, who might come under
Class (b), but Mr Legall at present
understands that they have intention-
ally omitted to Contribute for
British Pension having Contented with
the Boon allowed them in the latter
part of Para 5 of the Notification
upon

65

given by the Durbar in August 1882 whereby the Government of His Highness undertook to grant such of the officers as relinquished the benefits of service under the British Government, the benefit of counting half of such service up to a limit of 3 years, as Mayor Sam

Mr Lyall will be obliged if the Durbar will send in as soon as possible a list of all officers of class (b) not hitherto admitted to Contribute, but who may wish under the present ruling of the Government of India to Contribute for British Pension, in order that their applications may be reported to the Supreme Government for approval.

As to Class (C), the Resident suggests that the Durbar will admit the farmers

fairness of the ruling and will not
object to it. If so the case of Mr Waters'
pension which was recently sanctioned
by the ~~Government~~ Resident, will have 67.
to be now reconsidered, and the list
of officers now paying Contributions for
British Pension will have to be scru-
tinized to see if any belong to this Class
and ought to have their past Contribu-
tions refunded and to cease payment
in future obliged if you will examine the
list and in all doubtful Cases favour
me with your opinion as to whether the
officer belongs to this Class or not. In
Lyall's enquiries that of any pensions
first application was an illegal one
the not being at the time an officer

on the list of any British Department)
than the fact that he was subsequently
put on the Government of India Grade
list would not prevent his falling into
Class (C), but the point can be referred
if the Durbar think it desirable.

As to Para 8 of the Government of
India letter under reference, I am
to say that Mr Lyall understands
that the Durbar will not object
to this proposal. Some of the Subor-
-dinate officers in the Residency and
Civil and Military Station Establish-
-ments will come under the head & list
of these officials will be made out
and sent to the Durbar for its
convenience.

As to Paras 7 and 9 of the obligation

A 3

for payment of Pension which the Government of India ask the Durbar to accept in these paras, has, Mr. Lyall understands, been already accepted by the Mysore Government of its own motion, he presumes therefore that he may report that the Durbar gives its assent to these proposals.

69

I have &c

sd/- H. Wylie
Asst. to the Resident

Dated Mysore 7th July 1884.

107

From,

The Dewan of Mysore

To.

The Resident in Mysore.

Sir,

I have the honor to acknowledge the receipt of your letter No. 450/66 dated the 21st May 1884, and to make the following observations for the further Consideration and orders of the Government of India.

2 As regards British officers now serving in Mysore, I beg to forward herewith two lists No 1 showing the names of European officers whose services have been lent to Mysore for specified short periods, and No 2 those of all Natives

Native and Eurasian Uncovenanted
British Officers in the Service of Mysore,
for whom Contributions are now paid.

On account of all officers specified in
these lists, the prescribed Contributions
are now paid to the British Government,
and it is believed that they have all
a defined status in the British Service.
The officials in No. 2 list were all trans-
ferred from British Service Proper, to
services in Mysore when it was under
the British Administration and their
transfer was effected in the same manner
as the transfer of an Uncovenanted
British officer from one British Administ-
ration to another British Administra-
tion was effected. Mr. Francis Chetty is
the only Uncovenanted British officer

in a high position in the Mysore Service, and his services were obtained by official application made by the Judicial Commissioner to the Madras authorities, and he joined his appointment in Mysore without any break in the continuity of his services.

3. The list in question also includes the Medical Subordinates of the Madras Military Department now employed in Mysore. A demand for the recovery of the required Contributions from them had been made from the Accountant General, Madras, more than once during the past official year. But pending the reorganisation of the Local Medical Department, the Government of Mysore were unable to comply with the demand referred earlier. The Madras Authorities and Warrant Officers

73

officers belonging to the British Military Department, have a definite status in the British Service, and are liable at any time to be called away for duty with the British Army. Under such circumstances, the Durbar hope that there may be no objection to the inclusion of their names in the list in question. The list is by no means exhaustive, for there are several Quasi-Subordinate Civil officials not included in it. It is probable that they are satisfied with the Concession given in para 5 of my predecessor's Notification, dated the 1st August 1882 No. 98 but as you want an exhaustive list of all officers who may wish to contribute for British Persons I shall be glad if you will move the Durbar to invite all who may wish to pay Contributions to

74

a British Pension should apply before 31st July 1854 and that after that date no new additions to the list of officers paying Contributions for British Pensions will be permitted.

4. There can be no question regarding the fairness and general applicability of the ruling of the Government of India in regard to officers of Class (C) as set forth in Foreign Department Letter No. 1543 dated 10th May 1884; but the Durbar hope that this ruling will not now be applied to the few officers of Native Birth parentage who have always regarded as having a status in British Service proper and as having been specially lent for Service in Nepal, though they have not actually served the British Government beyond the

A 3

B 4

the Proprietors. Their names are included in the list of British officers "Specially selected, & submitted to the Government of India, with Sir J. Lawrence's letter dated 14 April 1883. They began their Services in Mysore as shewn below

75

| Name | First appointment in Mysore | Date of present appointment | Present appointment |
|---|---|---|---|
| Mr L Rice | Principal High School Bangalore | Nov: 1859 | Secretary to the Dewan Educational and Miscellaneous Dept |
| C Walters | Do | August 1866 | Retired. |
| E Butcher | Surveyor of Revenue Kaladgi Karwar | Dec 1865 | 1st grade Assistant Superintendent, Revenue Survey |
| G D Middleton | Probationary Asst Superintendent Revenue Survey | Nov 1867 | Deputy Commissioner Kadur Distt |
| H K Elwood | Do | Jany 1868 | 1st Grade Asst Superintendent Revenue Survey |
| W A G Hudson | Do | Nov 1876 | 2nd Grade Do |

5 The exclusion of these officers from the would now be very inconvenient, for the British Government have always recognized them as having all the privileges attaching to the British Service proper. The two first belong to the Educational Department and were appointed by the Secretary of State. The others were appointed by the Government of India to the Mysore Revenue Survey under conditions as to qualifications and Service which regulate the Boundary Revenue Survey Department. This case is such, I submit, distinguishable from that of the Barrier, inasmuch because he was first appointed to the Bombay Revenue Survey in November 1866 and transferred to the Mysore Revenue Survey in December 1866. All the 6 officers above named have always been held to be here that they belong to the British Service proper

B 4

77

Their names have always been entered on the Gradation lists of the British Government, and the scale of their pay and promotions have always been regulated by the Rules of British Services. In the case of all of them, the term of their appointments in Guyana after the rendition is limited, and the Government of India have offered to promise them with appointments in the British Services on the expiry of the terms limited for their employment in Guyana. Should their decision now will doubtless be left as a hardship by them and the merciful jewel of Empire that they entered the British Services in Guyana with the understanding that they terms always belong to British Services and enjoy all the benefits and prospects offered by that Service. If

now they are regarded as belonging to the Mysore Service their prospect of advancement is nil and they have all to retire while yet in the prime of their life upon very small pensions or even upon gratuities

6. I may be permitted to observe that officers of this class have always been recognized by the British Government as belonging to their own Service proper. In October 1864, the Government of India, in directing the abolition of the transit duties between Madras and Mysore involving a loss to Mysore of nearly 4 lakhs of Rupees per annum, observed that "the Government of India bears the Cost of the pensions of the English officers employed in Mysore". Again it was laid down in the Government of India's Letter No 209 dated 18th January 1868,

B 4

It was that the License tax levied from all British Officers and others employed in Mysore who are entitled to any prospective advantages from the Government of India should be credited to Imperial revenues and in accordance with this decision, the proceeds of the License tax due & afterwards the income tax up to the close of the year 1872-73 was paid by Mysore to the Imperial Government to the extent of nearly one lakh of Rupees as shown

| | | |
|---|---|---|
| License tax from January 1867 to April 1869 | Rs 19708 | in the margin of the Officers above named except the Residency who entered Service in 1876, all others |
| Income tax from May 1869 to March 1873 | 79,269 | |
| Total Rupees | 98,977 | |

79

Officers have Contributed to the above Cases.

C. 80

It may moreover be remarked that, as regards officials whose whole Career was in Europe the Government of India recommended a distinction between Europeans and Natives Vide their letter dated 18th January 1868 above quoted.

Under Such Circumstances, it has been understood both by the Government and the officers concerned that they belonged to the British Service In fact their retention in the Province for specified short periods has been Sanctioned by the British Government upon this understanding and any different finding now regarding their Status may render them liable to the British Service Unfavorable and will therefore be strenuously opposed by

the Durbar and disappointing to the Officers Concerned.

8. In the Case of Officers who have been transferred from Imperial Service to British Service proper before the 1st October 1882, such as the Subordinate officers in the Residency and the Civil and Military Station Establishments, the Durbar will gladly bear the portion of their pension calculated for the period of their Service in Imperial according to the rules of Proportion as defined in the Code of the Financial Department. This Rule can if so desired also be applied to any Officers who may hereafter be transferred from the Imperial to the British Service with the Consent of the Durbar.

9. In Conclusion, I have only to state

81

82

State that the grant of pensions on Mysore as regulated by the Rules of the Local Pension Code adopted in the British Territories and the Durbar has at present no intention of making any change in them The Government of India may therefore be assured that the pensions of Uncovenanted Officers who took employment on Mysore when under British Administration and who has Continued in the Mysore Service after the Restoration will be Calculated in accordance with the Pensions Rules of the Government of India and will in every way be as secure as British pensions

I have &c.

Nº 2235
372

Office of the Resident in Mysore
Bangalore 9th February 1885.

To

The Dewan of Mysore.

Sir,

I have the honor by desire of the officiating Resident, in reference to your letter of the 7th July 1884. Nº 114 to Communicate to you for the information of the Government of His Highness the Maharaja, the orders of His Excellency the Viceroy and Governor General in Council on the claims to pensions of Officers who served in Mysore when the State was under the Administration of the British Government.

2. The Government of India observe with satisfaction that the suggestions made in paras 7, 8 and 9 of Foreign Secretary's letter Nº 1543 I of 1st May 1884 Copy of which was Communicated to you with

90

that State, it is remarked that these officers belong to the Class described as Class (C) in para 3 of the Foreign Secretary's letter of 1st May 1854. With reference to the suggestion of the Durbar that these officers should be considered as belonging to Class (b) i.e. to the Class of officers who having a Status in British Service prior to were transferred for employment under the British Administration in Perak the Government of the Straits observe that these officers were employed solely for Service in Perak and never had any Status in the British Service except in virtue of their employment in Perak and they see no sufficient reason for Compliance with the Suggestion on which it is remarked, the Durbar

had

has expressed no wish to lay any stress.
The officers referred to must accordingly
be held, I am to state, to belong to
Class (C) and I am to add that the
Governor-General in Council can
also hold out no prospect of being
able to find employment for any of them
in the event of their services being no
longer required in Perak. Should it
however happen hereafter that any of them
are transferred to British Service the
Government of India will not object
to the whole of their Service being declared
to be qualifying their pensions being
charged to British and Perak Revenues
according to the rule of proportion. As
the officers in question have Contributed
for pension [illegible]

92

I am desired that the amount of these Contributions be refunded to them while the whole amount of their pension already paid to Mr Waters as well as the amount of payment in future will in accordance with this decision be recovered from them.

6. I am to observe that these orders of the Government of India are to be read in continuation of and as explanatory of those conveyed in this Office letter No. 2079/346 of the 22nd January last in respect of Mrs Hewson and Clerk.

7. The Government of India do not consider it necessary that the list of Officers forwarded by this letter under reference should be circulated in detail as the Accountant

93

Accountant General Madras will refer for orders any case which may not be clear.

8. The officiating Resident requests that you will be so good as to Communicate Copy of para 5 of this letter to each of the officers referred to therein excepting Md. Waters for information

I have &c

Sd/ H. Wylie.

Assistant to the Resident

94

Proceedings of the Dewan of Clysore

Read a pair letter No. 450/60 dated 21st May 1864 from the Resident in Clysore to the Dewan of Clysore forwarding Copy of letter from the Government of India No. 154 dated 1st May 1864 on the subject of the pensions of Officers who served in Clysore when the Province was under British Administration.

Read a pair letter No. 16 dated 2nd Sept 1864 from the Dewan of Clysore to the Resident in Clysore.

A letter No. 2235/372 dated 9th February 1865 from the Resident in Clysore to the Dewan of Clysore.

Order thereon No. 6608-14/144 Dated Bangalore 2nd March 1865

The foregoing correspondence will be communicated to the Comptroller to the Clysore Government for information and guidance.

2. It will be noted that as regards Military Officers, Commuted Civilians and Uncovenanted Officers belonging to the British Service proper and employed in Clysore, the Clysore State had been

95

relieved of all liability for their leave and pension allowances in respect of service up to 30th September 1882. Their service since that date is regarded as "foreign service", and in order to entitle them to leave and pension allowances from the British Government, they must pay the contributions prescribed on their behalf by the Civil Pension Code, whether their employment in Mysore has commenced before or after the transfer of the administration to His Highness the Maha Rajah.

3. All Uncovenanted Officers who, having no status in British Service proper, were employed in Mysore when under British administration but who were transferred to the British Service proper before the 1st October 1882 will be entitled to their Pensions from the British Government the Mysore State contributing its share of such Pensions for the period of their service in Mysore according to the Rule of Apportionment in the Civil Pension Code.

4. Uncovenanted Officers who having no status in British Service proper

96

were employed in Clysore when under British administration and who have continued to be employed in Clysore since the Restitution of the Province as well as all Uncovenanted Officers entertained in Clysore after the Restitution will be entitled to Pensions and leave allowances under the Rules now in force.

5. The Officers named in the margin have hitherto been regarded as British Officers and the required contributions on account of their Pensions and leave allowances have been paid by the Clysore to the British Government since 1st October 1882 – The Government of India have now decided that their names should be removed from the list of British Officers and that their Pensions and leave allowances should be paid by the Clysore State. An extract of Paras 3 and 6 of letter from the Government of India to the Resident in Clysore No 154 dated 1st Dec 1884 of Paras 4 and 7 of letter from the Government to the Resident No 16 dated 2nd Jan 1885 and of Para 5 of letter from the Resident

# GOVERNMENT OF MYSORE.

## FINANCIAL

## PROCEEDINGS.

Dated 16th May 1885.

No. 1821
15.

Requesting Heads of Departments not to sanction any increase of pay or allowance to any of the British officers lent to Mysore without previous orders.

Mysore Government Press, Bangalore.—27-5-85.—80.

99

*Proceedings of the Dewan to His Highness the Maharaja of Mysore, (Financial),—dated 16th May 1885.*

From the Secretary to the Government of India, To the Resident in Mysore,—Foreign Department—Finance—Circular No 863 G., dated Simla, the 29th September 1884

In the orders noted on the margin it was provided that the assent of the Local Government, under which an officer was serving before his transfer to Foreign service or to which he would be subordinate if he left Foreign service, should be obtained to any increase of the pay or allowances which he enjoys in the service of Native State It is now to add that, when the emoluments of the officer would Rs 250 per mensem, no such increase of pay should be finally granted without the previous sanction of the Government of India in this Department.

So Sec 8, Rule 8, Chapter III of the Civil Service Code

See Proceedings in the Department of Finance and Commerce, No 3475, dated 31st August 1882

No 1324—15, DATED 16TH MAY 1885

ORDER—In accordance with the orders contained in the Resolution of the Government of India, quoted above, Heads of Departments are requested not to sanction any increase of pay or allowance to any of the British officers lent to Mysore, of whom a list is appended, without previous orders in each case In any case in which such increase is proposed to be given a detailed report of the circumstances under which the proposal is made should be submitted.

Bangalore 10th May 1885.

The Dewan of Mysore

Sir,

I am directed to invite your attention to your office letter No. 457/199, dated the 4th November 1884 and connected correspondence regarding an application for an invalid pension on behalf of V. S. Ranga Charlu, late an Accountant of the Mysore Public Works Department.

2 The circumstances of the case were submitted for the orders of the Government of India and I am now to inform you that it has been ruled that as Mr. Ranga Charlu voluntarily resigned his appointment under the Government of Madras, he cannot properly speaking come under class (b) which refers to "Commanded officers who, having a status in British Service prospective, were transferred for

for employment in Mysore.

3. I however, Mr Ranga Charlu has been led to expect that he will Count this Service for pension from the British Government, in Consequence of permission having been given to him to contribute for pension after 30th September 1882, the Government of India is willing to accept the liability for pension for the Service prior to 27th January 1866 as well as for the Service for which contribution has been paid since the 30th September 1882, the liability for the remaining portion devolving upon the Durbar. The Accountant General of Madras has been informed accordingly.

I have the honor to be,

Sir,

Your most obedient Servant,

A. Madavdas

Assistant to the Resident
